

Sudan Medical Specialization Board

HSE/SMSB Postgraduate Scholarship Programme

2-year Training Programme in Ireland

July 2021

The Sudan Medical Specialization Board (SMSB) has entered into an agreement with the HSE (Health Service Executive) and the Forum of Postgraduate Training Bodies in Ireland. The purpose of this agreement is to permit Sudanese SMSB residents to join the International Medical Graduate Training Initiative (IMGTI). The IMGTI offers a great opportunity for residents to complete part of their training in Ireland.

Training is available in the specialties of **Anaesthesiology, General Medicine, General Surgery, Obstetrics and Gynaecology, Ophthalmology** and **Paediatrics**. Structured training will be provided for **2 years** in these specialties and this training will be accredited by SMSB.

Start of applications: 17th November 2020

End of applications: 17th January 2021

Required documents

A. Hard copy to be submitted to the secretary of the respective specialty council:

1. Filled and signed application form (follow link below)
2. Certificate of English test results (Academic International English Language Test System 'IELETS' or Occupational English Test 'OET') OR certificate of registration for examination within one month of application deadline
3. Updated Curriculum Vitae (CV) (using a universal format)
4. Certificate of Permanent Registration from Sudan Medical Council
5. Certificate of completion of SMSB Part 1 examination or its equivalent
6. Certificate of Internship (housemanship) Completion
7. Sponsored registrars need written permission from their sponsoring body
8. Signed checklist (of submitted documents)

B. Soft copies of above documents to be submitted to the International Relations Office OR to the email: i.relations@smsb.gov.sd (kindly note that failure to submit the soft copy means exclusion from the program**)**
